

Seaside Village Towne Homes Association Parking Permit Application

- You must provide a photocopy of the registration of **all** of your vehicles, which must reflect a current Seaside Village address. Please do not submit registration(s) just for the vehicle for which you are requesting a permit.
- A permit does not transfer to a newly acquired vehicle. You must resubmit a new parking permit application.
- You need to arrange for alternative parking until you receive your permit. If you continue to park inside the community before you receive the permit, your car is subject to tow.
- New permits are given out every calendar year. You must reapply every year. Permits will be dated and if you are parking in the community with an old permit, your car will be subject to towing without warning.
- Permit fees are determined by the Board of Directors.
